Hi All,

Welcome to our first Newsletter for 2010!! I know we are already in March, however I do hope you all had a wonderful Christmas and New Year and managed to catch some beautiful leisurely days with family and friends.

What a busy start to the year it's been. From my first day back in the office on 1<sup>st</sup> February I have been totally run off my feet. Lisa Marie did a marvellous job holding the fort while I was away. There were heaps of Myer, Target and Kmart bookings over December and January which is highly unusual for this time of the year; but very much appreciated by our gorgeous models!!

As I write this newsletter we are in the middle of the L'Oreal Melbourne Fashion Festival. Team kids are representing the Agency in the Mini Me Parade at Malvern Town Hall and the Myer parade at the Myer Music Bowl.

Please be sure to read the bottom half of this Newsletter, there are a few reminders and requests from 'Office Management' to help us run things a little more smoothly.

### **Stills – Photographic**

Team have had numerous children, babies and teenagers working for the clients listed below. Far too many models to name them all:

Panda, Shepherd Organic Book, Myer, Target, Kmart, Patons, Reject Shop, South East Water, Clarkes, Clekheaton

### **Film & Television**

Our talented kids and adults have been involved in the feature film 'Don't Be Afraid of the Dark' and the television series 'Dead Normal' and 'Tangle II'.

**HUGE STUDIOS HAVE MOVED** - They are now at 486 Swan St. Richmond, next door to where they were. **The directive from Management at Huge Studios is as follows:**

- Parking is limited, therefore allow enough time to find parking in the street
- On arrival go to the far right of the building. Go up the stairs and through the door. Please take a seat in the chairs provided along the wall. Stylists will come and collect talent.
- There are other photographers and studios working all day. Please do NOT wander past the chairs.
- Due to the limited space available, they kindly request that only the talent booked and one parent to attend. Occasionally this may not be possible, always ask us first before taking extra siblings to shoots.

**PERMITS** – With young children who have just started school and older children who have changed schools can you all please be sure to update your Permits for Target, Kmart & Myer? For those who may have expired Permits, can you please update them? Every week without fail our kids miss out on work due to Permit issues.

**JOINING INFORMATION** – This Document is available on your/your child's website document page. When you first register with us we ask that you print this document and read thoroughly. This is an important document and forms part of our Agreement. The Agency Agreement is also in your

'Document Page' and accessible to you at all times. It is very important to be familiar with our Agreement.

**TAX FILE NUMBER DECLARATION FORMS** – It is essential for us to have at least ½ dozen of these forms on file for each talent we represent. We need to include them with our invoice to clients. This is explained in your 'Joining Information Document'. It is important to note that clients will Tax at the highest rate without a Tax File Number Declaration Form.

**WEBSITE** – For our website to be affective and you/your child to have the best possible chance of working, we need all talent profiles to be up to date with current measurements, photos and abilities. Can you all please update your profiles on a regular basis? Babies need to be updated more frequently as they grow and change so quickly.

**CASTING/BRIEF EMAILS** – Every so often we will send out a general brief searching for talent through our database. Please check the 'Subject' line to see if the email is relevant to you or if you may be interested in helping us find talent. The email will be sent to everyone on our database. If it does not apply to you, please just delete.

I would like to thank everyone that has helped us find great talent in the past or have been involved in low budget jobs. It never ceases to amaze me how Team talent, parents and children pull together and make things happen so professionally. You are all such a wonderful asset to Team and your continuos effort is sincerely appreciated.

Here's to a busy and exciting year ahead!!

Regards,

ANNE WILL & LISA MARIE
